Manufactured by

HEAVY DUTY DUMP BOX (Grizzly Box)

The Grizzly Box is another one of our products only available from Hippo Hopper. Originally design to meet the needs of one our customers in the steel processing business because of the demand for it unique capabilities we added to our specialty line. This box is super strong design to handle 10,000 lbs of scrap material and dump using heavy duty forklift or over head crane. The Grizzly Box has a swing dump door similar to that of a dump truck and pull down dual latch release handle with safety lock.

Construction:

- 3X3 Tubular steel frame
- 3/16" Side walls
- 1/4" Bottom
- 4X8 Tubular steel formed base
