Hopper Casters

All HIPPO HOPPERS can be fitted with casters for moving into tight locations around the plant or for special applications. [Construction sites, CNC machine shops, plant maintenance, limited space operations, etc.]

Steel Casters

Semi-Steel For use on rough floors with metal chips and debris. (2 Fixed - 2 Swivel)

Plastic Casters

Phenolic Wheel An easy rolling wheel, quieter than steel, non-marking and spark proof. Resistant to oil, water, and grease. Excellent floor protection and can be used on smooth or rough floors.

Rubber Casters

Rubber Wheel A quiet rolling wheel with molded-on rubber tread on a steel core. (2 Fixed - 2 Swivel)

Poly Casters

Polyurethane Wheel A quiet rolling wheel with molded-on polyurethane tread on a steel core. Non-marking, resists oil, water, grease, and most solvents. (2 Fixed - 2 Swivel)

Standard Caster

Out-Rigger Caster

Hopper Sales: (832) 456-4516 or sales@hippohopper.com
