Bolt Together Models (2000 Lbs. Capacity)

Hippo Hopper Bolt-Together self-dumping hoppers (2000 LB capacity)

Our bolt together hoppers are unique to the industry. They are specifically designed to provide a light duty container that will ship in multiple units with considerable savings in freight. All units are shipped unassembled and bolt together easily on site.

Each part is precision made and powder coated for a long lasting and smooth finish. Choice of powder coat colors on non-stock orders is available at no extra cost. Bolt together hoppers are currently available in 1, 2 and 3 cubic yard hoppers.

- Big and Easy pull-down handle release **Safe & Easy**
- Drain plug standard on all hopper **No extra Charge**
- Laser cut Rock'N'Roller design **Zero maintenance**
- 3/16" formed steel base
- Water tight welded container boxes
